The City hereby recognizes the Union as the exclusive representative and bargaining agent for the bargaining unit, consisting of all permanent classified positions (working 20 or more hours per week) within the Municipal government as set forth in the Certifications of Representative issued by the Connecticut State Board of Labor Relations in Case #ME-3029 and MER-721.

ARTICLE II
RIGHTS OF EMPLOYER

Except to the extent relinquished, abridged, modified or limited by the provisions of this agreement, the City reserves and retains solely and exclusively the right, authority and responsibility to manage the affairs of the City and the direction of the employees which shall include, but not be limited to the following:

- a) To direct employees and to determine the methods, means, manner and personnel by which services shall be rendered.
- b) To hire, promote, transfer and assign, suspend, demote, discharge or take other disciplinary action as may be required.
- c) To relieve employees from duty because of lack of work or lack of funding or for any other legitimate reason.
- d) To take any action required or necessary in order to maintain the efficiency of the City and to take any actions necessary or required in situations of emergency, regardless of prior commitments; and to carry out the responsibility of the City of Meriden to its citizens.
- e) To establish contracts or sub-contracts for municipal operations provided that this right shall not be used for the purpose or intention of undermining the Union or of discriminating against its members.
- f) To make reasonable rules and regulations relating to personnel policy, procedures, and practices and matters of working conditions, as permitted and required by the obligations imposed by law as well as the responsibilities set forth in this agreement.

ARTICLE III
DUES DEDUCTION AND NON-INTERFERENCE

Section 1. The Union shall furnish the City a signed statement by the employee, who shall authorize the City to deduct dues, fees or assessments from his/her wages. Such deduction shall continue for the duration of the agreement or any extension thereof. The bi-weekly remittances to the Union will be accompanied by a list of names of employees from whose wages the deductions have been made.

Section 2. All employees hired or transferred into the bargaining unit shall be required, as a condition of continued employment, to join the Union within thirty (30) calendar days from the date of hire or transfer or to pay a service fee to the Union as set by the union in accordance with applicable law. Employees who fail to comply with this requirement shall be discharged by the Employer within thirty (30) days after receipt of written notice to the Employer from the Union. The Union shall not interfere with the rights of the Employer during the six (6) month probationary period.

Section 3. The name and address of each newly-hired or transferred employee eligible for this bargaining unit shall be forwarded by the Personnel Department to the President of the Union within thirty (30) calendar days of the date of hire or transfer.

Section 4. The Union agrees to indemnify and save the City harmless against any and all claims, demands, suits or proceeding arising out of or by reason of any action taken or not taken by the City in reliance upon the check-off and Union security provisions of this Agreement or on the correctness of any dues deduction or agency fee authorization furnished by the Union to the City.

ARTICLE IV
CLASSIFICATION, COMPENSATION AND PERSONNEL POLICIES

Section 1. The City of Meriden Classification, Compensation and Personnel Policies as revised (1994) are all deemed to be part of this agreement except as otherwise provided herein.

Section 2. The Employer agrees to notify an employee two (2) weeks prior to an involuntary transfer. The Employer shall negotiate with the Union, prior to transfers, any impact caused by such transfer.

Section 3. The Employer will not coerce employees from exercising their contractual rights.

Section 4. Shift vacancies will be open for bid and awarded on the basis of seniority. If no candidates are found, assignments will be made on the basis of least seniority.

Section 5. Temporary transfer – (defined as no more than five (5) working days) In the case of a temporary transfer (daily basis) to another department or division, such transfer shall be made on a voluntary basis if possible, and be at the employees rate of pay or a higher rate if the position is at such rate.

Employees required to work in a higher classification for more than five (5) working days will be compensated from the sixth work day. Compensation will be within the range of work they are doing at the Step in that Range that is closest to their own, but not lower, plus one. This section does not apply if an employee is filling in for another employee who is on vacation. (i.e., an employee earning \$18.70 per hour, Range E, who is taking on work of a Range F, would be moved to \$20.40 per hour).

Any employee officially appointed to act temporarily in a higher classification, outside their bargaining unit, will be paid no less than fifteen percent (15%) above their current rate of pay.

Section 6. Labor Management Committee – a labor-management committee shall be the designated authority responsible for the maintenance of the job classification system during the term of this Agreement or any extension thereof. Said committee shall be authorized to review job descriptions of any newly created jobs and/or changed job descriptions for current jobs and assign points for grade placement in pay plan. The City and the Union shall have equal representation on the Committee that would include two (2) management members and two (2) union members. The Director of Personnel shall be the facilitator and/or the Director of Personnel may act as a management member if needed. The Union Staff Representative may attend the Committee meeting and may act as a union member if needed.

- a. Employees may request a review of points assigned to their position or if there are any changes in job duties. The written request shall be submitted for review to Personnel, the committee and, if appropriate, as designated by the committee, a job consultant will review the appeal and render a decision within sixty (60) calendar days of receipt. An employee who receives a grade adjustment pursuant to a review shall be given a wage adjustment, if applicable, retroactively to the date the review request was received by Personnel. The parties agree that there are no automatic upgrades, that each position must be pointed and that one position cannot be upgraded because the position below it is upgraded or vice-versa.
 - 1) The written request shall be submitted in duplicate to the Department Head with a form advising him/her to sign off on the new duties or remove said duties within thirty (30) days. Failure of the Department Head to act within the thirty- (30) days will be considered approval of said request.

- b. If the labor-management committee reaches an impasse on an issue before it, such dispute shall be submitted to an arbitrator chosen by the committee. If the committee cannot agree on an arbitrator, then it shall be submitted to the American Arbitration Association for a decision. The Arbitrator's decision shall be final and binding. The cost of the Arbitration shall be borne equally by both parties.

ARTICLE V SENIORITY

Section 1. The City shall prepare and file with the Secretary of Local #595, a list of employees showing their seniority in actual time of service with the City. This list shall be revised each six (6) months. Any authorized leave of absence and work-connected injury leaves shall be included as in-service time for purposes of seniority. Lay-off also shall be included as in-service time for purposes of seniority.

Section 2. Seniority is defined as the relative status of an employee in a department or division whichever is applicable for the purpose of promotion and/or vacation. Seniority shall include length of service from date of last employment. When an employee is transferred from one department or division, whichever is applicable, to another for any reason, there shall be no loss of seniority.

Section 3. When a vacancy occurs a notice shall be posted for a period of five (5) working days so that any employee within the division, may apply, and the position shall be filled by the employee if he/ she so qualifies. If no one qualifies within the division, a notice shall be posted for a period of five (5) working days so that any employee within the department may apply. The position shall be filled by the employee if he/ she so qualifies. If no one qualifies within the division or department, a notice shall be posted for a period of five (5) working days for any employee in the MME Union. Skill and ability shall be two of the factors in determining an employee's eligibility to compete for said vacancy. Where skill and ability are relatively equal, the length of service shall control.

- a. When such a vacancy cannot be filled due to refusals or due to inability to perform the position after a thirty (30) day break-in period by employees from within the department, said position vacancy shall be posted for a period of five (5) days in all departments within the scope of this Agreement. Applications shall be submitted in writing to the Personnel Director.
- b. Outside candidates may test simultaneously, however, in no event will an outside candidate be chosen over an MME candidate who meets the stated qualifications and passes any applicable testing.
- c. With respect to the successive vacancies, these shall be filled in the same manner as outlined above. If no qualified employee applies for the vacancy, the City may then hire a new employee.

- d. If within the thirty (30) day break-in period the City determines that the employee is not capable of performing the position, he shall be entitled to return to his former position without loss of seniority or rights formerly enjoyed and at the wage rate then paid for his former position. If necessary to provide a vacancy for the reinstatement in the prior position, the employee with the least seniority in the class shall be terminated or returned to the class from which the employee was promoted.

Section 4. New employees shall serve a probationary period of six (6) months and shall have no seniority rights or recourse to the arbitration provisions of this Agreement in the case of discharge or other discipline during this period but shall be subject to all clauses in this Agreement. New employees who have completed the probationary period (and who are not seasonal employees) shall be known as permanent employees and the probationary period shall be considered included as seniority time. During the probationary period employees will be paid at Step A of the appropriate wage scale. The scale will be changed to reflect A-G (or F as appropriate) not probationary.

For employees hired after July 1, 2003, Step F will be the top Step of the scale. Step G will be phased out over time.

Section 5. a. When it is necessary to lay off employees within the bargaining unit, the City shall determine the positions to be eliminated. Layoffs will then take place in that division or department, whichever is applicable, as follows:

a.-1. All seasonal, part-time and/or probationary employees doing MME work within the City shall be laid off before full time employees; however, if no full time employee wishes to bump into any of the above positions the seasonal, part time or probationary employee may return to that position.

a.-2. If the full time employee or employees holding said position(s) are more senior in length of service in the division, they may then bump less senior employees in other lateral classifications within any division or department, whichever is applicable, providing they have the skill and ability to perform the job. (If there is another less senior employee in the division in the same classification they must bump them first).

a.-3. Full time employees so displaced shall have the right to bump less senior employees in any division or department, whichever is applicable, within the bargaining unit if the bumping employee has the skill and ability to perform the job.

- b. Any employee to be laid off shall be given two weeks notice. Notice shall also be given at that time of any bumping rights to said employee, along with notice to those who may be affected by said bump.

- c. Bargaining unit employees who are on layoff shall be placed on the recall list and recalled to work first for any bargaining unit position which may become available and for which they possess the skill and ability to perform the job.
- d. In the event an employee bumps or is recalled into a position not previously held, the recalled employee shall have a ninety (90) –day probationary period to prove capable of performing the position. Recall eligibility for all employees shall be for two (2) years from the date of layoff.
- e. Recall from layoff or bump shall be in the reverse order of layoff.
- f. It is agreed and understood that the elected Union officers and stewards shall head the seniority list in their respective Department and Classifications at the time of layoff only and shall not be laid off until all employees in their and/or lower classifications have been laid off.

For the purpose of this Article, no employee who has been employed for more than four (4) consecutive months shall be considered a seasonal employee.

ARTICLE VI **GRIEVANCE PROCEDURE**

Said Board shall hear and act on such dispute in accordance with its rules and render a decision which shall be final and binding on all parties. In the event such dispute involves disciplinary action, the Board of Mediation and Arbitration will have the power to uphold the action of the City or to rescind or modify such action, and such powers shall include, but shall not be limited to, the right to reinstate a suspended or discharged employee with full back pay.

- b. Within seven (7) working days after said President receives such grievance, he/she and the Executive Board of the Union shall meet with the City Manager or his/her designee. The Union shall render a decision and the reasons therefore in writing within fourteen (14) days after the meeting.
- c. If the grievance is not resolved to the satisfaction of the City, the City may submit the dispute to arbitration with the Connecticut State Board of Mediation and Arbitration within ten (10) working days upon receipt of the written decision.

Section 3. Nothing contained herein shall prevent any employee from presenting his/her own grievance and representing himself/herself. The Union shall have a right to be present at any meeting concerning said grievances.

Section 4. Time limits provided for herein may be extended by written agreement of the City and the Union.
